

JOIN THE JOURNEY with Phoebe Locke

...and support a young British rider.
Owning a horse can be one of the most rewarding experiences. Learn about our ownership opportunities.

Owner BENEFITS

- Strong potential returns with a track record of producing young horses (short to long term)
- We have a very strong buying team who have proven they can source high quality horses
- Clear and upfront minimal expense due to quality of rider and ownership transparency
- Owners are invited to yard visits and access to the most prestigious events, both Nationally and Internationally
- Constantly ensuring owners are kept up-to-date with an unrivalled level of content
- Targeting appropriate events to get the best results for the horse

Rider USPs

- Fantastic team and support network, offering a tailored programme for each individual horse
- Established UK based event rider, located in the heart of the Cotswolds
- Identified as one of Britain's most talented, up and coming riders by the world renowned trainer, Caroline Moore and supported by the Performance Mentoring Programme (PMP)

Rider GOALS

- Aiming to successfully compete at 5* level and represent Great Britain at Nations Cups, European Championships and the 2028 Olympic Games in Los Angeles
